02

SIGN IT

Erect DataDot warning signage.

03

PARTNER IT

Partner with Law Enforcement and scrap dealers.

04

PROMOTE IT

Initiate media coverage and public awareness campaigns.

Copper theft is like an epidemic and (DataDot) will give us a better chance of stopping it. We believe this product will offer WCEC a technological advantage and we hope it makes anyone think twice before vandalizing our system.

With the marking of our equipment, stolen items will act as a beacon for seizure, enable arrests and ease prosecution. I can't think of a better deterrent.

Debbie Robinson

CEO Wood County Electrical Cooperative

The results that speak for themselves:

2008	2010
Start DataDot program mid-2008.	Complete program.
\$1.4 million in stolen copper in 18 months.	Only 2 small losses in 18 months.
